Well, March came in like a lamb and isn't going out so much as a lion, but maybe a really cold lamb. If you are like me, you can't wait to see the sun again. Day after day of clouds really gets old. I know that the days are getting longer and the sun will be out there again soon, we just have to hold on a little longer. It sure was nice to see those 60 and 70 degree days though. I love having the song birds back, the grass is getting greener, and the buds on the trees are just about to open. Can't wait!

ANTIQUÉ STORES AND MALLS

Antique stores are everywhere. Not sure if you are like me, but some of those things for sale are things I used or am still using. Guess that makes me an antique too. We can write antique stores with United. You can write the **General Liability, Property** for the building, fixtures and new items, **Commercial Auto** if needed, and the **Work Comp** if the business has been around for a while. You can write a **Retail Store** for the owner that sells the antiques, an **Antique Mall** for the owner that rents spaces to others, and the **Mall Dealer** that rents the booth. We would need Acord apps and a questionnaire that is available on our website or I can fax one.

CAMP LIABILITY INSURANCE

We can now write insurance for Camps, Conference and Retreat Centers. This would be coverage for Activity, Day, Leadership and Summer camps, and Conference, Scout Councils, and Religious Retreats. Coverages offered are Liability, Camp Participant Accident & Medical, Property, Crime, Commercial Auto, Excess Liability, Inland Marine, even Work Comp. Some of the exposures that can be covered are hiking trails, horseback riding, boating/canoeing and swimming. We can even cover the Camp Director Liability, Sexual Abuse and the fireworks display at the end of the day! Give us a call for the application and more information.

* * LICENSE REQUEST * *

We need to update our records, so please send us a copy of your Agent's (not Agency) license. You can either scan and e-mail it to us, or fax us a readable copy. Please remember that the blue license that the State sends does not fax well. If there are other agents in your office that need to be on record with us, please send their licenses also.

PRODUCT OF THE MONTH

Boats are the product of the month for April. For each **boat** policy that you write through the end of the month that is effective this month, you will receive an **additional \$10**.
