What a mixed-up spring! Warm enough to open the windows in April then the furnace back on in mid May to a heat wave a few days later. The humidity was a rude awakening! I guess that's what spring and summer are in Nebraska. We hope you had a fun and relaxing Memorial Day weekend to kick-off the summer.

## MOTORCYCLES

Wow, with the warmer weather, motorcycles are everywhere! It seemed like it would never get warm enough, or dry enough for them to get on the road. American Modern Home writes nearly all types of Motorcycles. They have special discounts for **Harleys** and will also write **Classic, Antique, Custom, Touring, Cruisers, Sports** and **ATVs**.

You can write **Replacement Cost** on select bikes, **Accessory** coverage is included, there are lots of discounts, and they even have an on-line safety course that will give your drivers **10%** off their premium! It is easy to rate and issue on-line through ModernLINK or I can rate them for you - just give me a call!

## VETERINARIAN CLINICS

You can write Veterinarian clinics through United Fire & Casualty. They will write the **Premises Liability, Property** on the building and equipment, and **Crime**. This is one of the *many* classes that would be written in the new PremierPro for business owners program. **Included** coverages in the new program are Property written on **Special** form, **Automatic Valuation Adjustment** on Buildings, **Inflation Guard** on Contents, **Business Income and Extra Expense, Newly Acquired or Constructed Property** and **Equipment Breakdown**. You can even include the **Vet's Professional Liability** making it a complete package!

## FOOD VENDORS

Now that more people are out enjoying the summer activities, food and beverage vendors are also out. You can write vendors preparing and selling non-alcoholic **Beverages**. **Dessert** vendors preparing and selling items such as Funnel cakes, churros, Dip-N-Dots and ice cream or **Hot Dog**, **Corn Dog** and **Pretzel** vendors can also be written. We place them with RLI and the easy-to-rate and write program provides **General Liability** and **Business Personal Property** both on and temporarily off premises. The base annual premium for these classes is \$201 for \$300,000 and you can increase the limit up to \$1,000,000. Call and I can send or e-mail the app and rates to you.

## PRODUCT OF THE MONTH

**Motorcycles** are the product of the month for June. For each **Motorcycle** policy that you write through the end of the month, you will receive an **additional \$10**.

Thanks for reading!
