Summer is here! Now, if the rain would just stop. I have to admit, everything is green and lush, but I got two mosquito bites yesterday morning when I was outside for about 5 minutes. I think this will be a record year for those pesky bugs. We've already been to the Farmers Market and we are heading to a baseball game this weekend. I am so ready for good weather and sunshine. Hope you all had a wonderful Memorial Day weekend and have lots of things planned for the upcoming months.

They even offer Homeowners coverages and personal liability for owner occupied main dwellings or lodges used as primary residences. Call for the app and supplements.

## COMMERCIAL MOBILE HOMES

American Modern Home will write mobile homes that are used in a light office or professional capacity, except for beauty salons, day care centers or stores. The coverage on the home is Comprehensive and additional coverages such as Other Structures, Personal Property, and Premises Liability are available. Other coverages offered are Personal Property Replacement Cost, Earthquake, and Breakdown. These risks are written in their regular Manufactured Home program and are rated and issued in ModernLINK. Call if you have any questions.

## FURNITURE STORES

We can write furniture stores, businesses that assemble furniture both wood and other than wood, and businesses that install furniture or fixtures in offices and stores. Our market is United Fire. They even write businesses that refinish or repair furniture or woodwork in their own shops. You can write the General Liability, Property, Inland Marine and in most cases, the Commercial Auto. We will just need the Acord apps to quote this for you.
