March 2016 Vol 9, Issue 3

Spring is almost here! Daylight Savings Time starts March 13, St. Patrick's Day is the 17th, Spring officially arrives on March 20th, and Easter is the 27th, so this will be one full month. We had such wonderful weather that it seemed like mid April instead of the end of February. It has been so nice seeing people out walking their dogs, jogging and working in their yards. What a great time of the year.

Have you notice that there is some green appearing here and there in yards and along streets? I know it's a bit early, but now is the time to do lawn prep so your yard or the area around your office will be ready for the growing season. There are a lot of lawn

care companies out there and I'm sure they are gearing up for the season. This is one of the classes that United Fire will write. They will write businesses that mow and do some incidental fertilizer, pesticide or herbicide spraying. They will also write larger businesses that design, install lighting, run lines for water features or lay sod. You can write it all on one policy - the Commercial General Liability, Auto, Property coverage on the building &/or Business Personal Property and their equipment. Just send us Acord apps and loss runs for a quote.

GEM CARS

I have to admit, I did not know what a GEM car was. They are made by Polaris, can be up to 6 passenger, and are electric. The adorable vehicles usually go up to 35 mph and can be licensed in the State of Nebraska if they meet the requirements. They can be used for personal use or as a utility vehicle. You can write these with American Modern in their Motorcycle program. They are easy to rate in ModernLINK and there are even discounts such as Homeowner and Experienced Driver. Give me a call if you have any questions.

BASEBALL, SOFTBALL & T-BALL SPORTS ACCIDENT

This is the time of the year that coaches are busy lining up players for the upcoming baseball/softball season. Every year about this time, we get apps in for American Legion and various City teams for kids 9 and under up to 19 and over. You can get Primary or Excess coverage for limits up to \$25,000 and Excess limits are offered for limits up to \$250,000. The deductibles are \$0, \$50, or \$100. The policy covers the players, coaches, officers and managers, and covers them at practice, games, travel to and from practice or games, even fundraisers and parades. The app is on our website or [click here](#) to see it now.

PRODUCT OF THE MONTH

Motorcycle policies are our product of the month for March. For each Motorcycle policy that you write through the end of the month that is effective this month, you will receive an additional \$10.00!

Thanks for reading!
