Happy May Day! Are you old enough to remember little baskets of goodies that someone would leave on your doorstep, ring the bell and then run? I don't think kids do that any more, so I'm really showing my age. What a roller coaster the weather has been. Really hot for a couple of days and then the chance of frost! But then, we are used to the weather changes in Nebraska in the Spring - just not usually this drastic! If you would like to contact us, the blue link below to either our website or our e-mail are both active. Just click on them look for apps or send an e-mail about one of the products highlighted in this newsletter or ask about other coverages that we write.

## WATERCRAFT

We write our Watercraft policies with American Modern Home. There is no age limit on the boats which means we'll write those older fiberglass or aluminum boats. We would need a marine survey on boats more than 26 years old. Liability only or a package policy is available. Optional coverages include Uninsured / Underinsured Watercraft, non-Owned Liability, Trailer, Towing & Emergency Assistance, Personal Effects and Travel Loss Reimbursement. There are programs designed for Yachts and Professional Anglers. Think of us for Bass/Walleye, Houseboats, some Hovercraft and Airboats, Sports Fishing, Pontoons, Ski Boats, Runabouts and some Mid

## BOAT REPAIR AND SERVICING

Speaking of boats, United will write boat repair and service shops. They prefer the shops that work with small to medium sized boats. The policy would cover boats in the shop owner's care, custody and control and would also provide legal liability and transit coverage so the shop owner can test the boat. As always we would need Acord apps to submit. The Acord apps found on our website are fillable. Just open one up, type in the information, print it and fax or e-mail it to us.

## CAMPS AND CONFERENCES ACCIDENT MEDICAL

With school almost out, parents are looking into activities to keep their kids entertained and safe during the summer. You can write an Accident policy for the sponsors of a Day Camp or an Overnight Camp or Conference. The camp can be a sports camp, private camp or other organization such as a church. The coverage is for either Primary, which is ideal for groups with participants generally not covered by other insurance, or Excess designed for groups with participants generally covered by other insurance. You can choose to cover the participants only or the participants and staff. The application is on our website and has the explanation of coverages and rates, or give me a call.
