Wow, can you believe there are only 60 days left this year? It doesn't seem possible. The year has really gone fast. With all of the wind that we've had recently, hopefully all of your leaves have gone over to your neighbor's yard to be raked. Of course, their leaves are now in your yard, so I'm not sure if anyone will get out of this without some raking. We've had a very long fall this year, and the holidays are coming up fast. We hope you have lots of plans for visits with friends and family.

## MOBILE HOME PARKS

American Modern Home has written manufactured Homes for over 30 years. They have written multiple unit policies for nearly that long. If you have a client that owns several **Rental Mobile Homes**, either all in one location or in several locations, we can write them on one master policy. You can choose from **Broad Form** or **Comprehensive Coverage**, and optional **Premises Liability** up to **\$300,000**. They can pay annually or quarterly. Just think of how easy it would

be for your insured to have just one policy that they can add units by endorsement or remove units as they are sold. Call for the supplemental questionnaire for a quote.

## APPLIANCE STORES AND REPAIR

United Fire writes **Appliance** stores and **Home Furnishing** stores in their new **PremierPro** program. This new program combines broad **Property, Liability**, and **Crime** coverages with a bunch of optional coverages to custom make a policy specifically designed for your client. You can also write **Commercial General Liability, Property**, and **Commercial Auto** for businesses that **install, service** and **repair** appliances. We would need Acord apps found on our website to quote.

## INSURANCE AGENTS ERRORS & OMISSIONS

If you haven't taken a look at your **Agency E & O** policy in a while, think about letting us quote it for you. Our market is Westport, and you **don't have to be a member of an association** to write through us. We can provide coverage for agencies that write **Crop, Life and Health, Real Estate**, and **Mutual Funds** in addition to **Insurance**. The policy is a Claims Made form, and the application can be found on our website. Just click on the Quick Link to our website above, go to Applications, print it, complete it, and either e-mail or fax it to us.

## PRODUCT OF THE MONTH

**Appliance Stores or Appliance Repair** are the products of the month for November. For each **Appliance Repair or Store** that you write through the end of the month that is effective this month, you will receive an **additional \$10**.
