September 2015 - Vol 8 Issue 9

Wow, summer is almost over, the days are certainly getting shorter, the kids are back in school, we've had some cooler weather, and Husker Football is this weekend! Don't you just love this time of the year? It almost makes me giddy to have to pull a jacket out when we leave to watch a baseball game. I know we have a few more hot days coming, but the humidity is lower and soon the air will be cool and crisp. IMI will be closed on Monday, September 7th for Labor Day. Go Huskers!

FUNERAL HOMES AND CHAPELS

United Fire has an excellent program for Funeral Homes and Chapels. They can write coverage for the General Liability, including the Funeral Director's Professional Liability, and coverage on the Building and Business Personal Property, Accounts Receivable, Equipment Breakdown and Business Income in their PremierPro program. They can also write the Business

Auto, Workers Compensation and Commercial Umbrella. The PremierPro program has a lot of built-in coverages such as Data Processing on and off premises, Employee Dishonesty, Fine Arts, Forgery or Alteration, Interruption of Computer Operations, Outdoor Property, Outdoor Signs attached to buildings, Pollutant Clean Up and Removal, Security Breach & Identity Services, and Valuable Papers and Records for example. Give us a call if you have any questions.

SEASONAL DWELLINGS

Do you have a client that maybe lives in another state but owns a vacation home in Nebraska? We can write those Seasonal Homes with American Modern. If the homes are in above average condition and 60 years or newer, we can write a HO-10 or a DP-3. If they don't meet the requirements, we can cover it on a DP-1. In any case, we can write homes in protection class 1 through 10 and add coverage for Premises Liability, Personal Property and Other Structures. V & MM and Occasional Rental can be added. These are rated in ModernLINK or give me a call with the information. Did you know we can also write these and other American Modern products in South Dakota, Iowa and Kansas as well as Nebraska?

TRAVEL ACCIDENT

A lot of people are planning trips this time of the year for the upcoming holidays. Whether it be a cruise to some tropical place, a ski trip to some snowy place, or just to Grandmother's house in the next state, having an annual Travel Accident policy is added security. The policy provides coverage for your client as a pedestrian, driver or passenger in a private passenger auto, as a fare-paying passenger on a bus, ocean liner, powerboat, streetcar, subway, taxi, train, or as a fare-paying passenger in a commercial aircraft. The policy can be written for the

applicant only or include the spouse &/or children. The cost is very reasonable and the app is on our website.
