Can you believe that we are already in September? Where has this year gone? School is back in session, the pools are closed, it's getting cooler and it's dark when I get up. We have gone to our last baseball game and the Huskers have their season opener tomorrow! Go Big Red! We will be closed on Monday, September 4th. We hope you have a relaxing holiday!

GYMNASTICS SCHOOLS

Markel has a program for USGA certified Gymnastic Schools. You can write the General Liability, Property including Business Income in case the school is temporarily closed due to a covered loss - it covers lost income and continuing expenses, Business Personal Property and System Breakdown for things such as heating and cooling systems, computers, refrigerators and hot water heaters. Accident Medical is a required coverage in the program and it will pay students' medical bills if they are injured at the school or during activities sponsored by the school and have no insurance of their own, or provides excess if they have their own insurance. Crime is an optional coverage that provides coverage if an employee steals money, securities or other property. Umbrella is also offered up to \$5 million. This is a great program and it is rated on-line. Give me a call for more information.

PERSONAL WATERCRAFT

This is the time of year that dealers are having end-of-season sales on their boats and jet skis. American Modern writes up to 4 passenger jet skis in their Jetsport program. They offer full coverage and liability only policies. Medical is included with optional higher limits available. Watersports Liability is offered for those that water ski. Other optional coverages are Emergency Assistance & Towing, Uninsured Watercraft, Non-owned Watercraft Liability, and Personal Effects. There are several discounts offered to create the perfect policy for your clients.

PERSONAL UMBRELLAS

Just a reminder that we have a rater on our website for Personal Umbrellas with RLI. This is a fast and easy way to get quotes for your clients for this very important coverage. The rater will generate a quote that you can give them and you can continue on and create a pre-filled app for them to sign and send to us for issuance. Don't forget, once you

leave the rater, all information will be lost. It does not keep any information. For a link to our website, just click on the blue site above and the rater is on the front page.
