

DB policyholder EFT registration

Use UFG's EFT (electronic funds transfer) option and you won't have to take time to write a check, pay a bill, buy a stamp, or pay a monthly service charge. When you select this convenient way to pay your insurance premium, your financial institution will electronically transfer your monthly payments from your account to ours.

ALL YOU NEED TO DO IS:

1. Complete the EFT authorization form below
2. Attach a voided check
3. **Mail** to: United Fire Group
PO Box 73909
Cedar Rapids, Iowa 52407-3909

Or **FAX** to:
888-514-9169

Or **email** scanned copy to:
ufgdbacctg@unitedfiregroup.com

We will notify you 25 days before your first payment is transferred. The notice will include the amount and day we will withdraw your installment amount. All you need to remember is to make the deduction in your check register each month.

If you change bank accounts, please notify us at least two weeks prior to the effective date of the change. Changes made within the five calendar days prior to the deduction date **will not affect** the installment due at that time. If an EFT payment is refused by your bank for any reason, the EFT authorization will be cancelled immediately.

IMPORTANT: Please continue to make your payments by check until we notify you that the payments will be automatic.
